### STUDENT'S EXIT PROFILE:

International Baccalaureate and SEK International School intentions to embolden our students to be knowledgeable and inquiring, but also caring and compassionate. There is a strong prominence on encouraging students to develop intercultural understanding, open-mindedness, and the attitudes necessary for them to respect and assess a range of points of view. These language skills should be developed through the study and use of a range of written and spoken material. Such material will extend from everyday oral exchanges to literary texts and should be related to the culture(s) concerned.
