## I. INFORMATIVE DATA

**SECCIÓN:** Elementary  
**DEPARTMENT:** Foreign Language  
**COURSE:** Second Grade  
**SCHOOL YEAR:** 2021- 2022

## II. STUDENTS´ EXIT PROFILE

At the end of the course, the students will be able to:

Interact in English in a simple way using basic expressions and short phrases in familiar contexts to satisfy needs of a concrete type, provided others talk slowly and clearly and are prepared to help; and have enough language to get by with sufficient vocabulary to express themselves with some hesitation and circumlocution on topics such as colours, numbers, animals, food, clothes, holidays, and action verbs, but at times lexical limitations may cause repetition and even difficulty with formulation.
