

PROGRAMA DE ESTUDIOS SOCIALES

I. DATOS INFORMATIVOS

Sección: Primaria

Nivel: Cuarto año de Educación General Básica

Año lectivo: 2021-2022

II. PERFIL DE SALIDA

At the end of the year, students will be able to feel part of their country through the construction of individual and social identity from the earliest levels and in the closest environment: the family, the school, the community, the neighborhood, the parish, the canton and the province, experts as geographical, social and cultural spaces; the spatial-temporal location, the orientation and prevention of possible natural risks, linked to the valuation of coexistence as an indispensable condition to achieve any human objective through collective and solidary work.
